We sincerely apologize for this year's starting time error published in our first GSSG news letter. Participation is expected to increase for 2011. Beginning next year, you will have a choice of two relays, 09:00 or 12:00. However, if there are 18 participants or less, only one relay, the 09:00 relay, will be shot. Look for your relay assignment in 2011 on our web site. Additionally you will be contacted by phone and/or email.
